

Stewards Report 17 April 2016

Senior Steward – Ian Ozanne
Steward – Rowena Scrimgeour
Steward – Brian Morris
Steward – Peter Edwards (excused for the fifth race)

Stewards Secretary – Michael Shenkin

Race 1

The Stewards noted that VERTEUX was a non-runner as it had not travelled to Jersey from the UK.

Race 2

The Stewards noted that the colours on CHAPEAU BLUE, trained by Christa Gilbert and on HAADEETH, trained by Karl Kukk, would be different to those published in the race card.

Mr Kukk reported that HAADEETH, which had been pulled up and dismounted before the line, had gone wrong and would be retired from racing.

Race 3

Nothing to report.

Race 4

The Stewards interviewed Mr James Moon, trainer of GUNPOWDER GERTIE, as to why a different jockey had weighed out to that declared on the formal declaration to run.

Mr Moon informed the Steward that Harry Burns' flight had been delayed and he had not made it to the course. Mr Moon said that he had informed the Clerk of the Scales that there would be a change of jockey before the 45 minute deadline.

The Stewards noted this explanation and took no further action. They reminded Mr Moon that it was his responsibility as a licensed trainer to ensure that the information on any declaration signed by him was correct at the 45 minute declaration deadline.

Race 5

Mr Edwards stood down due to a conflict of interest.
