No Enquiry

Race 2 - 3.05PM THE LADBROKES - BET STATION HANDICAP

The Stewards interviewed Morgan Raine, trainer and rider of **ORDER OF SERVICE**, about the behaviour the horse at the start and its failure to jump off. The trainer reported that the horse was moving but had lost momentum and then just planted. She had sought permission from the Starter for the horse to be led in. She had not requested assistance from others and they had no doubt tried to help her as a young trainer to get the horse away. The Stewards noted the explanation given and reminded her of the importance of ensuring that the horse started.

Race 3 - 3.40PM THE RAVENSCROFT 2021 JERSEY OAKS

The Stewards held an enquiry into possible interference in the finishing straight between **SUMATARAN TIGER**, ridden by Mr. M. Quinlan and **ISLAND SONG** ridden by Mr. M. Batchelor. Having reviewed recordings of the race from the side and head on cameras they allowed the result to stand and took no further action.

Race 4 - 4.15pm THE LADBROKES LADIES DAY HANDICAP

The Stewards interviewed Mr. Karl Kukk trainer of **GABSTER** as to its reluctance to jump off after it had come under Starters Orders. The trainer reported that he was surprised that it didn't jump off and will speak to the owners as to the next steps.
