Race	Horse and Trainer	Reason

Prior to Racing: Mr Hulholland trainer of **CHELSEA ANNIE** running in the second, asked for the horse to be led to the start and led in and **SIMPLY SIN** running in the fifth requested permission for the horse to be led to the start and for the jockey to mount at the start.

Mrs Malzard trainer of **NOVEMBER RAIN** running in the fourth, **ARTHUR'S ANGEL** and **ISLAND SONG** both running in the fifth to all wear red hoods to the start.

Angie Corson requested **LITTLE LOTTIE** in Race 4 be lead around the ring twice and taken to start without the jockey - the jockey was to meet at the start and be mounted there.

Christa Gilbert requested that **COOL DANDY** running in the fifth be led in at the start, led to the start and mounted on course

All requested were granted.

The trainer Karl Kukk and the representative of Mr J Moon were fined £100 respectively for breach of Rule (F) 52.3

The Stewards noted that all routine tests taken at the previous meeting had come back negative.

Race 1 - 2.30pm THE LADY BRENDA COOK MEMORIAL HANDICAP HURDLE

The Stewards interviewed the trainer of **BALZAC** about the horse's failure to jump off. The trainer explained that it was the horses first run and possibly last at Les Landes.

Race 2 - 3.05PM THE POLYGON COLLECTIVE SPRINT

The Stewards called an enquiry into the start. Having interviewed the Starter and watched footage of the start, they allowed the result to stand. The Stewards noted that one horse planted at the back of the pack and this perhaps gave the impression that the forward horses had moved off disproportionately.

The Stewards ordered the routine testing of **RELAXED BOY**.

Race 4 - 4.15PM THE JOHN LE FONDRE MEMORIAL 2022 GLORY BEE HANDICAP
